PLEXUS 2020

SRI DEVARAJ URS ACADEMY OF HIGHER EDUCATION AND RESEARCH

Commencing on the 1st of August 2020, SDUAHER voyaged into its maiden venture of an online National Level fest, PLEXUS, in association with the individual extra-curricular clubs of the University and under the tenacious support of Principal, Dr. P N Sreeramulu, Director, Student Welfare, Dr. Sridevi N S and Cultural Convenor, Dr. Shobha M V. PLEXUS was a month long fest held strictly on an online platform comprising of a total of 21 events under the aegis of 5 individual cultural clubs of the university. The theme for this year was “*The roaring 20’s*” which was primarily chosen by the conducting committee to highlight the similarities between the two decades of 1920’s and 2020’s, which despite being a hundred years apart shared themes of mass dissidence, rise of fascism, en masse rise of artists from various countries, social strata and culminating into a kaleidoscope of cultural renaissance, and of course a worldwide pandemic.

PLEXUS 2020 saw an overall participation of over 470 students from more than 100 colleges and had a reach of over 4200 social media accounts. Lockdown restrictions may have certainly detained individuals far apart from one another, but talent and skill of the participants wore down barriers of distance and bore testimony to the power of collective outreach of the masses. Meticulous planning of all events commenced a month prior and was diligently organized by the conducting committee under the humble guidance of our ever helpful faculty members.

The Closing ceremony was held on 29th and 30th of August via live streaming performances by artists’ viz. Vasu Raina, Sangeet Kir, Beats by Kazana who enthralled the crowd with their nouveau music styles and witnessed an attendance of more than 500 live listeners making PLEXUS 2020 an overall grand success.
